

The Elegance™ Photovoltaic Solar Panels Series

E24™

S100E

Solar Photovoltaic Panels with exemplary Performance, Reliability, Aesthetics & Value

E24 range of Mono-crystalline & Poly-crystalline photovoltaic panels offer an elegant product that packs unmatched performance, efficiency, and reliability all within an affordable investment backed by a second to none performance warranty.

The Elegance™ Series

• HIGH EFFICIENCY

Ideal for roofs where space is at a premium or where future expansion might be needed.

• MAXIMUM PERFORMANCE

Designed to deliver the most energy in demanding real world conditions, in partial shade and hot rooftop temperatures.

• PREMIUM AESTHETICS

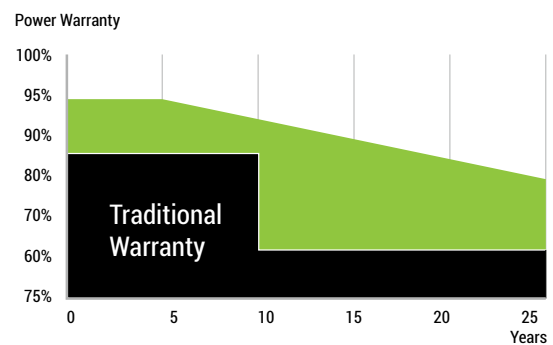

E24 Elegance and Elegance Black Series panels blend harmoniously into your roof. The most elegant choice for your home.

• ENGINEERED FOR PERFORMANCE, DESIGNED FOR DURABILITY

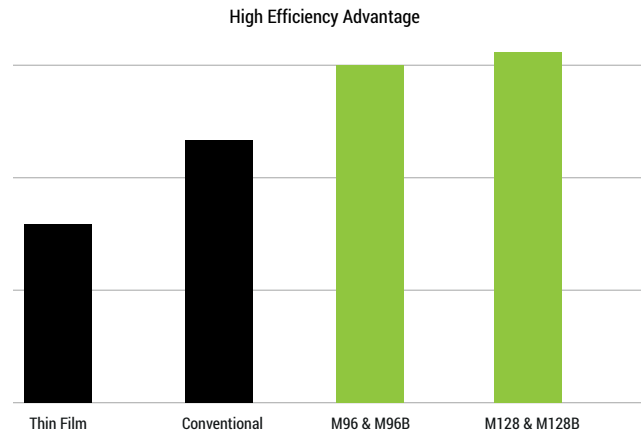

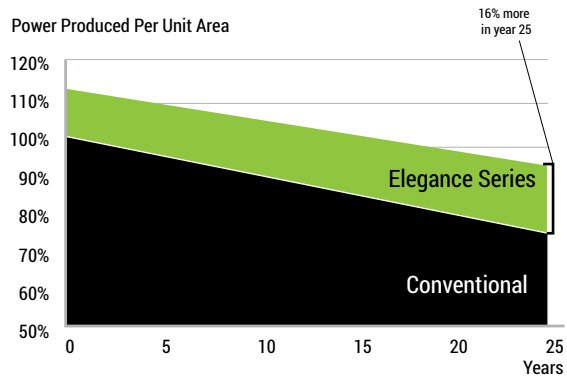

Engineered for peace of mind, designed to deliver consistent, trouble-free energy over a very long lifetime.

• WARRANTY

- Power Warranty: 95% in the first 5 years, 0.6% maximum decrease from MODULE's nominal power output per year, ending with the 83% in the 25th year after the defined WARRANTY STARTING DATE.*
- Material and Workmanship Warranty: 10 years

(*) Refer to warranty on solar panels terms and conditions for details

Higher Energy Production

- Produce more energy per rated watt
- High year one performance delivers more energy per rated watt.
- This advantage increases over time, producing more energy over the first 25 years to meet your needs.

High Efficiency Advantage

- Generate more energy per square meter
- The Elegance™ Series panels convert more sunlight to electricity producing more power per panel and more energy per square meter over 25 years.

Technical Specifications

- Refer to E24 Product Brochures for detailed technical specification of each panel.

E24 Modular Range Of Solar Products For Building Easy, Flexible & Evolutive Solutions

E24 products dynamically evolve with the lifestyle and work style of its customers while easing the installation process.

E24 products are conceived in modules allowing for an easy upgrade to adjust with the needs of the customers. Being modular and easy to connect E24 products allow installers to easily configure the required modules for an optimal solution while offering easy upgrade options.

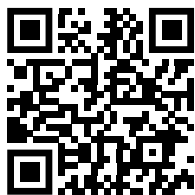

Ordering Information

Ref Number	Description
S100-72P-350-1	Poly Crystalline Solar Photovoltaic Panel 350Wp (6x12 cells), 1980x995x45mm
S100-72M-500-1	Mono Crystalline Elegance Series Solar Photovoltaic Panel 500Wp (8x12 cells), 2056x1140x35mm
S100-72B-395-2	Mono Crystalline Bifacial Series Solar Photovoltaic Panel 395Wp (6x12 cells), 1980x995x40 mm
S100-144M-550-1	Mono Crystalline Solar Photovoltaic Panel 550Wp (6x12x2 half cells), 2279x1134x35mm
